

**MORE THAN 2 MILLION CHILDREN LIVE WITH UNSECURED GUNS.  
DON'T LET YOUR CHILD BE ONE OF THEM.**

**TO PARENTS WHO OWN A GUN:**

- 1** Store your gun locked and unloaded.
- 2** Keep ammunition stored and locked separately.
- 3** Assume that children will find an unsecured gun – no matter how well you think it's hidden.

**TO ALL PARENTS:**

**Ask about the presence of guns, anywhere your child may visit.  
Never let your child into a home or vehicle with an unsecured gun.**
